Philadelphia May the 7th 1739

Whereas, the Episcopal Church of Philadelphia, having been long built, & much out of Repair, as well as too small, for the convenient Seating of the Congregation, It was therefore Resolved, by two several Vestrys, in the Year Seventeen hundred twenty Seven, that a sum of money, should be raised by Subscription, for erecting a new, more large, & comodious Building, wch good design, wth much care & industry, hath been carried on, the foundation of a Steeple laid, & the Body of the new Church, on the outside almost finished, But the said Subscription falling short, & insufficient to compleat the same, the inside of the Church remains unfinished, & many of the Congregation yet unprovided for, wth Pews, for themselves & Familys, wch makes it necessary, that some Pews, A Gallery, & other conveniencies should yet be added, as well as the whole finished, for wch Pious & good Purpose, We whose names are hereunto Subscribed, do Promise to Pay to the Church Wardens, of the said Church, or such others as shall be appointed, to receive the same for the use afsd; the sums of money by us respectively Subscribed, In Witness whereof we have hereunto Set our Names the date above written.
